Story: lions and lands

8.888 unique Lions and Lionesses travel all around the world discovering different places and items.

Each NFT is composed of:

- the **traveler** with custom variations and characteristics
- the **land** they visit in the background

Rarity & Easter Eggs

The collection is launched in 8 editions: per each edition there are 1066 common and 55 legendary Lions.

We also feature unique Easter Eggs across the entire collection.

Collect different pieces from each edition to complete your full set and receive extraordinary rewards, both digital and real-life assets.

Whitelist

Whitelists are like a golden ticket in the NFT world.

A whitelist spot will grant you a 50% **discount** on the set price of every edition for your beloved Lion!

Interact, promote and support to earn your **whitelist spot**!

Marketplace selling

Mint your Lion on the [OpenSea](#) and [Rarible](#) Marketplaces.

The starting price of the first Lion edition is set at 0.6ETH.

The price for each following edition will be set at the [floor price](#) at the new edition's minting time.

Dimension NFTs

In the near future Lions will be able to further expand their exploration to new Dimensions via mysterious wormholes.

They will discover secret codes which will allow them to seize **stunning opportunities** yet to be unveiled!

Claim your Dimensions

The total amount of Dimensions is 106.656. Each Lion holder can claim a Dimension every month for 12 months.

You can choose whether to [sell them](#) or to keep them and [unlock their financial power](#).

How it works

The Vault will guarantee a passive income **up to 60% APR** on deposits for a pre-determined time.

Each Vault is set to operate with only one chosen cryptocurrency type.

Deposit is locked and you can withdraw it every **6 months**.

The Collection	Dimension NFTs	Vault NFTs	Business Club	Meet the Team	Tokenomics	Find us here
----------------	----------------	------------	---------------	---------------	------------	--------------

Mint your Vault

01

Exchange **4 Dimensions** to
mint your Vault and
choose the cryptocurrency

02

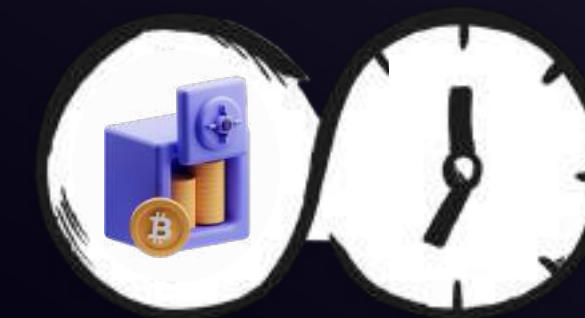

The Vault starts with
5% APR return and 6 months
duration

03

+1% APR for every **8**
Dimensions exchanged (up to
a maximum of 440 cards)

04

+6 months time extension
for every **444 Dimensions**
exchanged

Stake

Staking your Vault benefits:

- it becomes available for those who are part of **Lions' community***
- you are entitled to an extra 0,5% on all **third parties'** deposits in it

You can increase your financial return by expanding your reach beyond the Lion holders community* thanks to an affiliate code.
